

NIMMERSSION

Bundled Service: Smooth Landing Program

REMOTE HOME FINDING – MOVE IN COORDINATION – SETTLING IN SERVICE – SUPPORT PAGES

Our Smooth Landing Program takes over the time-consuming tasks of finding a new home – so employees can focus on other important details, rather than worrying about scheduling viewings and negotiating a lease.

Here's what's included:

Remote Home Finding

Nimmersion's relocation consultant presents 3-5 options and takes your talent on a virtual viewing. The property is validated based on the transferee's specifications and current market conditions. Nimmersion will negotiate terms and coordinate handing over of keys.

Move In Coordination

Before moving in, Nimmersion will conduct a superficial inspection of the property to ensure the property's condition is well-documented. This helps avoid extra costs and confusion over damages when it comes time to move out. Additionally, we provide a tour of the laundry facilities, explain the mail handling, assist with name placements on the door, and instruct on where to dispose of trash. We will also arrange for a transfer of pre-existing utilities, such as electricity, water, gas, sewage, and internet connection.

Settling In Service

We handle the intricacies of local registration, assisting your employees in obtaining essential Swedish documents, such as a social security number, an ID card, and bank-account setup. Our comprehensive services cover guidance on civic registration, utilities setup, property insurance, and provide insights into the Swedish healthcare system. We address changes with authorities and registering with the social welfare insurance office. Plus, we provide information on where your talents can find doctors, shopping venues, places of worship, and specialty foods. To ensure they're well-connected, we introduce them to relevant networking groups, promoting a smooth cultural assimilation.

Support Pages

The clients will have the opportunity to access our Support Pages with comprehensive information. Our exclusive content offers facts, details, and local tips that will help them learn all about living in Sweden.

Welcome Home!

We love helping international assignees learn everything they want to know about their new city. They'll feel right at home before they know it.
